20 Years of Great Things

We Take Your Financial Future Personally

When Planters Bank opened 20 years ago, we thought this year would be incredible. Now our ability to provide an exceptional community banking experience is better than ever with 12 convenient branches in High Point, Winston-Salem and Greensboro. Together it's helping you purchase your dream home, starting loans for local small businesses or giving back to the communities we serve. You can Expect Great Things from Planters. Meet through the following vignettes to learn more about our personalized service, customer commitment and community support as we celebrate 20 years of banking excellence. Click on the storytelling videos that apply about what Planters Bank can do for you.
